Applicants are supplying a copy of the International Search Report. Applicants note that the International Search Report has not been generated under U.S. law and therefore has little, if any, applicability to the instant case. However, the International Search Report is being cited to the examiner for the sake of completeness and courtesy.

Applicants are supplying copies of the International Search Reports for cross-referenced applications 10/816,375, 10/816,358, 10/844,613, 10/843,987, 10/844,614, 10/844,564, 10/844,612, 10/900,147, and 10/850,914 (not the instant case.) Applicants note that the International Search Reports have not been generated under U.S. law and therefore have little, if any, applicability to the instant case. However, the International Search Reports are being cited to the examiner for the sake of completeness and courtesy.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

A check for \$180 is included in this filing. The Commissioner is hereby authorized to charge any additional fee required to have this IDS considered and credit any overpayment to Deposit Account No. 503503.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Respectfully submitted,

Danny Padys
